Re: 2nd Policy for Draft Orders

Mark Watson
8/3/20

The October 12, 2016 policy memo requiring draft orders to be submitted within ninety days of the hearing is being revised to comply with Wyoming Statute 30-5-111(h). The WOGCC now requests that draft orders be provided the week of hearings, preferably at the examiner hearing, in order to have a final order to the Commission within thirty (30) days after the hearing, as required by the statute.
